

What if you could have a face-to-face dialogue with  
some of the foremost **mission leaders** of today?

What if you could **ask** them **anything** you want?

What if you had the chance for mentorship, relationships, networking?

What if you could sit in a room  
with 20 to 30 other

mission-minded young people

and talk about **what God is doing in the world** in our day?

*"More than a conference, the Student Mission Forum is a unique gathering of emerging frontier missionaries connecting with foremost missiologists who have gone before, in a more intimate than usual setting. If your heart longs for the Edges where the Kingdom is not yet established, and you desire to link up with like-minded folks, then don't miss this!"*
